# Curriculum Vitae

# dr. Robbie C. M. van Aert

# PERSONAL INFORMATION

Name: dr. Robbie C. M. van Aert

Date and Place of Birth: April 26<sup>th</sup> 1990, Roosendaal en Nispen, the Netherlands

WORK ADDRESS: Tilburg University, Department of Methodology and Statistics,

P.O. Box 90153, 5000 LE Tilburg, the Netherlands

PHONE: +31 13 466 8056

EMAIL: R.C.M.vanAert@tilburguniversity.edu

Website: www.robbievanaert.com

# RESEARCH EXPERIENCE

July 2021 - Present	Assistant professor (tenured) at the department of Methodology and
	Statistics, Tilburg University
Jan 2019 - July 2021	Postdoctoral researcher at the department of Methodology and Statistics,
	Tilburg University
	Postdoc position funded by the European Research Council (ERC) Consolida-
	tor grant of Prof. Dr. J. M. Wicherts
Feb 2018 - Dec 2018	Postdoctoral researcher at the department of Methodology and Statistics,
	Tilburg University
	Postdoc position partially funded by a Berkeley Initiative for Transparency in
	the Social Science (BITSS) SSMART Grant
Jan - Mar 2017	Research visit MRC Biostatistics Unit, University of Cambridge, UK
	Visiting Dr. D. Jackson, who is an expert on meta-analysis methods, for three
	months
Sep 2013 - Jan 2018	PhD Candidate in Methodology and Statistics, Tilburg University
	Project title: Meta-analysis in the presence of publication bias and researcher
	degrees of freedom
	Promoters: Prof. Dr. M. A. L. M. van Assen and Prof. Dr. J. M. Wicherts
Feb 2014 - June 2015	The Reproducibility Project: Psychology
	Member of the analysis committee evaluating publication bias and question-
	able research practices in the psychological literature
	Project coordinator: Prof. Dr. B. A. Nosek
	•

# **EDUCATION**

2013 - 2018	PhD in Methodology and Statistics (cum laude)
2013 - 2016	\ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \
	Tilburg University, the Netherlands. Thesis title: Meta-analysis: Shortcom-
	ings and potential. Promoters: Prof. Dr. M. A. L. M. van Assen and Prof. Dr.
	J. M. Wicherts
2015 - 2018	University Teaching Qualification: Modules START, TEACH, SUPER-
	VISE, COURSE, and ASSESSMENT
	Courses for improving my teaching and supervising skills.
2011 - 2013	Msc, Research Master in Social and Behavioral Sciences (with distinction)
	Tilburg University, the Netherlands. Minors: Methodology and Statistics and
	Social Sciences. Thesis title: Examining publication bias in meta-analysis:
	Comparison of existing techniques with the new p-uniform method.
Sep - Dec 2011	English Advanced (Cambridge Proficiency Level)
	High level course on writing, listening, speaking, and reading in English.
2008 - 2011	Bsc, Human Resource Management (with distinction)
	Tilburg University, the Netherlands

# TEACHING

Jan 2023 - Present	Meta-Analysis
	Research Master's course in which I teach the lectures on meta-analysis meth-
	ods. Roles: Coordinator and lecturer.
Feb 2021 - Present	Experimental Research Methods
	Bachelor's course taught in English and Dutch on experimental research meth-
	ods such as ANOVA and repeated measures analyses. Roles: Coordinator and
	lecturer.
Jan 2019 - 2022	Experimental Research and Meta-Analysis
	Research Master's course in which I teach the lectures on meta-analysis meth-
	ods. Roles: Lecturer.
Sep 2017 - 2022	Public Administration Research 3: Quantitative Research
	An introduction to statistics course for public administration students. Roles:
	Coordinator and lecturer.
Sep 2017 - 2019	Research Methodology for International Students and Introduction to Re-
	search Methodology
	Courses taught at Tilburg University on measurement errors, validity, reliabil-
	ity, sampling, experiments, survey research, and generating research questions
	and hypotheses. Roles: Co-coordinator, lecturer, and tutorial instructor.
Jan 2015 - 2016	Research Methodology for International Students
	Course taught at Tilburg University on measurement errors, validity, reliability,
	sampling, experiments, survey research, and generating research questions and
	hypotheses. Role: Tutorial instructor.
Sep 2013 - 2016	Experimental Research Methods
	Course taught at Tilburg University on AN(C)OVA, repeated measures
	ANOVA, and within- and between-subjects designs. Role: Tutorial instruc-
	tor.
Jan 2013 - May 2015	Introduction to Statistics
	Course taught at Tilburg University on probability theory, hypothesis testing,
	power analysis, and measures of association. Roles: Coordinator of practicals
	and tutorials and tutorial instructor.
Sep 2013 - Jan 2015	Statistical Consultant of SPSS Helpdesk Tilburg University
	Advising master's students of Tilburg University on using statistical methods
	in their theses.
Sep 2012 - May 2013	Teaching Assistant
	Teaching bachelor's students an introductory methodology course and super-
	vising practicals.

# **SUPERVISION**

## **PhD Students:**

Oct 2022 - Present | Franziska Rüffer

Project title: Moderator analysis in meta-analysis

### **Research Master's Students:**

Cas Goos (2022), Magdalena Kotek (2021), Myrthe de Jonge (2021), Hongwei Zhao (2021), Santiago Gómez-Echeverry (2020), Emre Alagöz (2020), Martijn Schoenmakers (2020), Gabriela Veleva (2018), Renée Zonneveld (2017), Rita Jiao (2017), Esther Maassen (2014)

#### **Bachelor's Students:**

Ernani Hazbolatow (2021), Andrej Bagarić (2021)

Total grants received: €488,858 (\$517,905)

May 2022	NWO Veni Grant: €280,000
Way 2022	Grant from the Dutch Research Council. Project title: Empowering meta-
	analysis by taking advantage of preregistered and replication studies.
Jun 2020	Herbert Simon Research Institute Grant: € 10,000
Jun 2020	
	Grant from the Herbert Simon Research Institute of Tilburg University. Project
	title: Employing meta-research to enrich COVID-19 preprints and study the
	impact of time pressure on research quality. I am the PI together with Dr. M.
L 2010	B. Nuijten
Jun 2019	IOPS Best Paper Award 2019: € 600
	Winner of the 2019 Interuniversity Graduate School of Psychometrics and So-
	ciometrics (IOPS) Best Paper Award for my paper "Examining reproducibility
	in psychology: A hybrid method for combining a statistically significant orig-
	inal study and a replication"
Mar 2019	Willem R. van Zwet Award: € 1,000
	Winner of the 2018 Willem R. van Zwet Award for the best dissertation in
	the field of statistics and/or operations research awarded by the Netherlands
	Society for Statistics and Operations Research (VVSOR)
Nov 2018	Nominated for the Tilburg University Dissertation Prize 2018
	Nominated as one of the two best dissertations of the faculty of Social and
	Behavioural Sciences of Tilburg University
Mar 2017	IMPS Travel Award: \$ 500
	Travel award to present at International Meeting of the Psychometric Society
	(IMPS) 2017
Sep 2016	<b>MAER-Net Travel Grant:</b> €1,000
	Travel grant to present at the Meta-Analysis of Economics Research Network
	(MAER-Net) Colloquium 2016
Nov 2015	BITSS SSMART Grant: \$ 30,000
	Grant from the Berkeley Initiative for Transparency in the Social Science, sup-
	ported by Center for Effective Global Action (CEGA) and partially funded by
	the Laura and John Arnold Foundation
	Project title: Getting it Right with Meta-Analysis: Correcting Effect Size for
	Publication Bias in Meta-Analyses from Psychology and Medicine
Sep 2013	<b>Research Talent Grant:</b> € 168,363
	Grant from Netherlands Organisation for Scientific Research (NWO)
	Project title: Meta-Analysis in the Presence of Publication Bias and Re-
	searcher Degrees of Freedom

Nuijten, M. B., van Assen, M. A. L. M., van Aert, R. C. M., & Wicherts, J. M. (2014). Standard analyses fail to show that US studies overestimate effect sizes in softer research. *Proc Natl Acad Sci USA*. doi: 10.1073/pnas.1322149111

### **SOFTWARE**

#### R package puniform

R package for applying meta-analysis methods while taking into account publication bias. The puniform package is available on CRAN and a development version of the package is on GitHub

#### Web applications

Web applications for applying the meta-analysis methods that I have developed. These applications were developed for researchers who are not familiar with programming in R: *p*-uniform, hybrid method, snapshot method, *p*-uniform\*, and meta-plot

### ACADEMIC MEMBERSHIPS

Aug 2017 - Present

#### **BITSS Catalyst**

Educating economists, psychologists, and other social scientists on transparency tools and practices. This catalyst program is initiated by the Berkeley Initiative for Transparency in the Social Sciences (BITSS).

Oct 2018 - Present

#### **Staff member of IOPS**

Staff member of the Interuniversity Graduate School of Psychometrics and Sociometrics (IOPS).

#### **PRESENTATIONS**

### Oral presentations:

2022

Invited workshop, Zurich, Switzerland. Title: Meta-analysis workshop

2021

9<sup>th</sup> European Congress of Methodology, Valencia, Spain. Title: Correcting for outcome reporting bias in a meta-analysis: A meta-regression approach

Metascience 2021 Conference, Online. Title: Comparing the prevalence of statistical reporting inconsistencies in COVID-19 preprints and matched controls: A Registered Report

Presentation at the workshop "Exploring the limits of advanced metaanalysis", Technical University Dortmund, Germany (online). Title: *Bayesian* hypothesis testing and estimation under the marginalized random-effects metaanalysis model

Invited presentation at the Webinar Series on COVID-19 organized by the School of Social and Behavioral Sciences of Tilburg University, the Netherlands. Title: Comparing the prevalence of statistical reporting inconsistencies in COVID-19 preprints and matched controls: A Registered Report

9<sup>th</sup> Annual Meeting of Berkeley Initiative for Transparency in the Social Science. Title: *Analyzing data of a multi-lab replication project with individual participant data meta-analysis: A tutorial* 

2020

Invited presentation at the department of Psychometrics and Statistics, University of Groningen, the Netherlands. Title: *Correcting for publication bias in a meta-analysis with p-uniform\** 

Invited presentation at Sociaal en Cultureel Planbureau (SCP), the Netherlands. Title: *Meta-analyse: Beperkingen en potentieel* 

Invited presentation at the symposium on "Uncertainty" organized by Studium Generale, Tilburg University, the Netherlands. Title: *Uncertainty in research and its consequences* 

2019

Invited presentation at the 29<sup>th</sup> IOPS Winter Conference, Leiden University, the Netherlands. Title: *Meta-analyzing an original study and replication* 

MAER-Net (Meta-Analysis of Economics Research Network) Colloquium, Greenwich, UK. Title: *P-uniform\*: A new meta-analytic method to correct for publication bias* (Plenary session)

Web lecture at Princeton University on experimental methods and statistics, Princeton, USA. Title: *Questionable research practices and publication bias* 

Workshop at the 3<sup>rd</sup> Annual Meeting of the Society for the Improvement of Psychological Science (SIPS), Rotterdam, the Netherlands. Title: *Dealing with publication bias in a meta-analysis* 

Invited presentation at the Annual Meeting of the Netherlands Society for Statistics and Operations Research (VVSOR), Utrecht, the Netherlands. Title: *Meta-analysis: Shortcomings and potential* 

3<sup>rd</sup> International Convention of Psychological Science, Paris, France. Title: *P-uniform\*: A new meta-analytic method to correct for publication bias* 

Invited presentation at the department of Psychological Methods, University of Amsterdam, the Netherlands. Title: *Correcting for publication bias in meta-analysis* 

83<sup>rd</sup> Annual Meeting of the Psychometric Society, New York, USA. Title: *Correcting for publication bias in a meta-analysis with p-uniform\** 

Invited workshop at the Research Transparency and Reproducibility Training (RT2) organized by the Berkeley Initiative for Transparency in the Social Sciences (BITSS), Amsterdam, the Netherlands. Title: *Meta-analysis and publication bias* 

82<sup>nd</sup> Annual Meeting of the Psychometric Society, Zurich, Switzerland. Title: *Estimating replicability of science by taking statistical significance into account* 

Invited workshop at the Research Transparency and Reproducibility Training (RT2) organized by the Berkeley Initiative for Transparency in the Social Sciences (BITSS), London, United Kingdom. Title: *Meta-analysis and publication bias* 

Presentation at the workshop "Perspectives on Scientific Error", Tilburg University, the Netherlands. Title: *Estimating replicability of science by taking statistical significance into account* 

32<sup>th</sup> IOPS Summer Conference, KU Leuven, Belgium. Title: *Estimating replicability of science by taking statistical significance into account* 

Invited workshop at the 9<sup>th</sup> Interuniversitair Centrum voor Onderwijswetenschappen (ICO), Utrecht University, the Netherlands. Title: *The consequences of publication bias and questionable research practices* 

Presentation at the MRC Biostatistics Unit, University of Cambridge, United Kingdom. Title: *Correcting for publication bias in meta-analysis* 

Invited presentation at the Department of Psychology and Pedagogy, Erasmus University, the Netherlands. Title: *Estimating the replicability of science: Accounting for statistical significance of the original study* 

2018

2017

2016

5<sup>th</sup> Annual Meeting of Berkeley Initiative for Transparency in the Social Science, Berkeley, USA. Title: *Getting it right with meta-analysis: Correcting effect size for publication bias in meta-analyses from psychology and medicine* 

MAER-Net (Meta-Analysis of Economics Research Network) 2016 Colloquium, Conway, USA. Title: *Conducting meta-analyses based on p-values: Reservations and recommendations for applying p-uniform and p-curve* (Plenary session)

28<sup>th</sup> Annual Convention of the Association for Psychological Science, Chicago, USA. Title: *Conducting meta-analyses based on p-values: Reservations and recommendations for applying p-uniform and p-curve* (Chair and presenter)

2015

4<sup>th</sup> Annual Meeting of Berkeley Initiative for Transparency in the Social Science, Berkeley, USA. Invited member of a panel of SSMART grant recipients discussing transparency in research

Presentation at the Department of Methodology and Statistics, Tilburg University, the Netherlands. Title: Estimating effect size using original study and replication: A hybrid method
